PRACTICE

1. Where more than one competition takes place on the same day, playing in one does not constitute practising on the course for the other.

HANDICAPS

1. **Limits:** See also Notes on previous page.
A Handicap Limit means players of a higher handicap **will not** be allowed to enter. In Individual Stroke Play each player must record his correct *Playing Handicap* on the scorecard (for the purpose of calculating the CSS) and the Committee will adjust the scores for the purpose of awarding prizes.
2. **Certificates & CDH: Visitors handicap certificates are required.** Each competitor, who is not a member of RSD, should produce a current CONGU Handicap Certificate & CDH Number. Penalty for failure to produce verification of current handicap is disqualification.
3. In singles match play competition the full handicap difference of the players is to be given.
4. Any changes of playing handicap must be notified to the starter. A player whose handicap is controlled by another Club must declare any reduction in handicap that would have resulted from one of the competitions in a Meeting. No similar increases are permitted until the new handicap is posted at the 'Home' Club.
5. No handicap changes affect a match play competition which is already in progress.

STARTING TIMES

1. Starting Times will be posted in the Clubhouse and on the Club's website prior to the event and may be obtained from the Office or Professional Shop. All competitors must check a day before the competition for up to date tee times.
2. **Players must report to the starter at least 5 minutes before they are due to play.**

3. If the player arrives at his/her starting point, ready to play, within five minutes after his/her starting time, the penalty for failure to start on the time is loss of the first hole in match play or two strokes in stroke play (Rule 6-3a). Otherwise, the penalty for breach of this Rule is disqualification.
4. Starting times noted in the entry book for each competition are a rough guide and may vary dependant on number of entries.

SCRATCHINGS

1. Please inform the Office or Pro Shop in good time if you are unable to play at the appointed time.
2. Players who consistently fail to turn up to play without notification or adequate reason will be **banned** from two Board competitions.

RULES

1. Competitions shall be played in accordance with the current edition of the Rules of Golf as approved by the R&A Rules Limited.
2. The ball the player plays must be named on the current List of Conforming Golf Balls issued by the R & A. Penalty for Breach of Condition - Disqualification.
3. The driver the competitor carries must have a clubhead identified by model and loft that is named on the current List of Conforming Driver Heads issued by the R & A Rules Limited.
An updated List is available on the R & A website www.randa.org.
4. In 18-hole competitions, ties will be decided over the last 9, 6, 3 or 1 holes, thereafter the last 10, 11, 12, 13, 14, 15, 16 and 17 holes.
5. In 36-hole competitions, ties will be decided over the second 18 holes, or, if still a tie, on the best last 9 holes of the day and thereafter as 4. above.

BUGGIES

1. Buggies may be used in any stroke-play competition.
2. Buggies may be used in match-play competitions by players with a medical condition, who have submitted a medical certificate, signed by a doctor to that effect, to the Club Manager. Players, other than those authorised to use a buggy, may not use another player's buggy to carry their bag. In match-play, a caddy may use a buggy.

SLOW PLAY

1. Each player is responsible for playing without undue delay (Rule 6-7 of the Rules of Golf) usually 3 ¼ hours for two ball matches and 3 ¾ hours for three ball matches, subject to weather adjustment.
2. **Penalties for falling behind these rates are as stated in Rule 6-7.**

DISTANCE MEASURING DEVICES

1. If, during a stipulated round, a player uses distance measuring devices that are designed to gauge or measure other conditions that might affect his play (e.g. gradient, wind speed etc), the player is in breach of Rule 14-3, for which the penalty is disqualification, regardless of whether any such additional function is actually used. Mobile phone Apps are allowed.
2. Since the distance between two objects is information and not advice, such information may be shared between players, subject to the speed of play requirements.

ABANDONED COMPETITIONS

In the event of the competition being abandoned due to extremely adverse weather conditions rendering the course unplayable, a result will only be declared provided all competitors have started and at least ¾ of the scores have been returned.
